- c. Players should not wear shorts/pants that have pockets or drawstrings that cannot be tucked. All players shall tuck their shirts inside their shorts while playing.
- d. No jewelry, metal cleats, or headgear containing hard, unyielding material, including billed hats. No casts (soft or hard) are allowed.
- e. Towel attached at a player's waist is considered a flag and if pulled off the player is considered down at that spot.
- f. All players that wear prescription glasses must wear a safety strap at all times.
- g. Players that do not meet these requirements on any given game day cannot participate in that game.

## Section 6: Offense

- a. 3 “linemen” must be on the line of scrimmage at the start of each play.
- b. There must be at least four (4) offensive players on the line (including linemen) when the ball is snapped. Illegal formation will be called if there is less than four (4).
- c. The three (3) offensive linemen must not line up wider than arm’s length apart / fingertips to fingertips (but may line up closer).
- d. All players must be at least three (3) yards from the sideline when on the field so as not to deceive the defense and eligible players can be recognized.
- e. The center must snap the ball with a rapid and continuous motion between his/her legs or from the side.
- f. If the snapped ball does not make it to the quarterback or is snapped over the quarterback’s head, the ball is blown dead at the first bounce. Play will resume at the same line of scrimmage, without loss of yardage (only loss of down).
  - i. Note: For Grades 1-2 we will replay the down once without penalty; second time is a loss of down. This applies to all snaps during the course of the game (first botched snap is simply redo, second is a loss of down).
  - ii. Note: the half or game cannot end on a botched snap (for Grades 1-2), even if the time clock has expired.
- g. There are no fumbles, whether caused by an offensive drop, the ground, or by a defender. If the ball is dropped (forward or backward), the ball is dead once it hits the ground and the next play will resume from that point.
- h. Interceptions thrown by the offensive team can be returned and blown dead once the interceptor is deflagged. \*\* For Grades 1-2, interceptions cannot be returned and will only count as a dead ball with the offense retaining possession (similar to the fumble rule).
- i. The blocker can block the path of the oncoming rusher and make them change directions.
- j. Contact will be tolerated unless deemed forceful and/or malicious.

- k. Only one (1) offensive player can be in motion at a time, prior to the snap of the ball. That player may NOT advance to the line of scrimmage prior to the snap of the ball (must move parallel to the line of scrimmage).
- l. All passes must be from behind the line of scrimmage, as designated by the offensive "puck".
- m. There can only be one forward pass per play. Once the ball is beyond the line of scrimmage, no forward pass can be made.
  - i. Note: Lateral passes are allowed, both behind and beyond the line of scrimmage.
- n. All players are eligible to receive passes (including the quarterback if the ball has been handed off behind the line)
- o. A player must have one foot in bounds when making a reception.
- p. Shovel passes are allowed.
- q. First downs will be at the 30-YD, 20-YD, and 10-YD field markers.

## Section 7: The Ball Carrier

- a. Guarding the flag belt or otherwise hindering the deflagger is illegal and considered "flag guarding". An untucked t-shirt may be considered flag guarding, at the Referee's discretion. There is no penalty, except the ball is considered dead at the spot of the foul and the next play resumes at that spot.
- b. A ball carrier should not have a belt end hanging loose so that it can be gripped as a flag.
- c. A ball carrier may NOT hurdle or jump over a pile to score a touchdown or gain a first down. Players are allowed to leave their feet to avoid being de-flagged (jucking/jump, stopping).
- d. The ball carrier is down when his/her knee hits the ground, even if the flag belt is still on.
- e. Stiff arming is not allowed (defined as: arm extended out).
  - i. Note: the ball carrier using his natural instincts in self-defense will not be considered a stiff arm, at the discretion of the Referee.

- f. An open field ball carrier must attempt to avoid a defender. The ball carrier must not run over or through a defender.

## **Section 8: Defense**

- a. All divisions may run man-to-man or zone defense.
- b. All defensive players must start at or beyond the 2 yard “neutral zone” as marked by the officials.
- c. Defenses must at least use a 3-man line to start each play and must line up at the line of scrimmage.
- d. Interceptions can be returned once caught. The ball will be down where the interceptor is deflagged.
  - i. Note: If a score is not achieved on that interception play, the ball will be placed at the corresponding distance from the goal line of the common goal (to keep all scoring attempts in the same direction at the same end zone).
- e. Deflagger should hand the flag to the ball carrier after the play is completed. This is good sportsmanship and helps speed along the game play.

## **Section 9: Rushing The Quarterback**

- a. The rusher(s) must be located a minimum of 7 yards off the line of scrimmage prior to the snap of the ball. The 7-yard blitzing line will be marked with a “puck”.
- b. Any defensive player may cross the line of scrimmage once a handoff has occurred, but not before the QB has committed to a run.
- c. If a player crosses the line of scrimmage prior to the handoff and did not start behind the 7-yard blitzing zone, encroachment will be called (5 YD penalty and repeat down).
- d. Defensive lineman who are lined up at the LOS may not blitz. They can cross the line of scrimmage once a handoff has occurred or the QB has committed to a run.
- e. If the defensive team is ahead by 17 points or more, no rushing is allowed. A 5 yd penalty will be enforced from the LOS if the defensive team sacks the quarterback.

- f. Teams are not required to rush the quarterback.
- g. Rushers may attempt to block a pass. However, NO intentional contact can be made with the quarterback or passer in any way (may be considered roughing the passer).
- h. A sack occurs if the QB's flag belt is pulled behind the line of scrimmage.
- i. There are no safeties (ball carrier tackled in the end zone). If this occurs, the offense retains the ball except for the loss of down and the ball is placed at the goal line for the next play.

## **Section 10: Deflagging**

- a. The deflagger must take the flag from the ball carrier by playing the flag and not the ball carrier. No holding, wrapping up, or excessively raking is allowed.
- b. It is illegal to attempt to strip or pull the ball from the ball carrier's possession or quarterback's hand at any time.
- c. A defender cannot run through the ball carrier or use unnecessary roughness in removing or attempting to remove flags.
- d. A defender can force the ball carrier out of bounds in an effort to pull the flags. Pushing, shoving, or other malicious acts will not be tolerated and will result in an unsportsmanlike conduct penalty.
- e. A player may not deflag an opponent unless that opponent is in possession of the ball or faking as though in possession or has just lost possession of the ball.
- f. If a ball carrier's flags fall off without being pulled by the defense (Referee's judgment), the officials shall announce a DEAD BALL. Ball will be spotted where the ball carrier possessed the ball when the flag last was in place.

## **Section 11: Punting**

- a. There is no punting. If the offensive team fails to achieve a first down or score after 4th down, the ball will be turned over to the opposing team and play will resume with a 1st and 15 at the initial starting point (45-yard line).

## Section 12: Scoring

- a. **Touchdowns** - All touchdowns are 6 points.
  - i. A touchdown shall be scored when a player is legally in possession of the ball and the ball penetrates the vertical plane of the opponent's goal line.
- b. **Point After Touchdown (PAT)** - After a touchdown, the offensive team will be given the option by the referee to score for 1 point from the 3-yard line or 2 points from the 7-yard line. Once the offensive decision has been made, the team may change the decision only by taking a charged team timeout.
  - i. If a double foul occurs during the down, the down shall be replayed. When a distance penalty is incurred by the offense during a successful try, the down will be repeated, if accepted. However, if the offense penalty carries a loss of down, the try has ended and will not be repeated.
- c. **Safeties** - No safeties are allowed.
- d. **Field Goals** - No field goals are allowed.

## Section 13: Time-Outs

- a. Each team is entitled to two (2) charged timeouts per half.
- b. Each time-out will be one (1) minute in length.
- c. A time-out may be called by any player and/or Coach.
- d. If a team exceeds their time-out limits per half or during OT, a delay of game penalty will be assessed.
- e. Referees may call additional time-outs at their discretion.

## Section 14: Special Rules

- a. **Mercy Rule:** If either team is ahead by 17 points or more by the second half's 2-minute warning, or any time during the last 2 minutes of the game, the game is over.

- b. If the defensive team is ahead by 17 points or more at any point in the game, there will be NO rushing allowed.

## **Section 15: Overtime Rules**

- a. Games CAN end in a tie!
- b. A fair coin will be flipped by the Referee, which will determine who receives the choice of start options. The winner of the toss shall be given the options of starting on offense or defense.
- c. All overtime periods are played toward the same goal line.
- d. Unless moved by penalty, each team will start 1st and goal from the 15-yard line. The object will be to score a touchdown.
- e. An overtime period consists of one possession by each team. If the score is still tied after one period, the game will end in a tie (2 victory points for each team)
- f. If the first team which is awarded the ball scores, the opponent still retains their chance to score to win/tie the game.
- g. If the defense intercepts the pass and returns it for a touchdown, they win the game. If they do not return the interception for a touchdown, the ball will belong to the defense at the 15-yard line (even if that return was closer than the 15-yard line). NCAA rules apply.
- h. Note: this interception return rule does not apply for Grades 1-2.
- i. Each team is entitled to one (1) timeout per overtime period.

## **Section 16: Dead Ball Scenarios**

- a. The ball hits the ground
- b. The ball carrier's flag is pulled
- c. The ball carrier's steps out of bounds
- d. The ball carrier's knee hits the ground
- e. The ball carrier's flag falls off
- f. The receiver catches the ball while in possession of one or no flags
- g. Inadvertent whistle

- h. Flag Guarding
- i. Stiff Arming

## Section 17: Penalties

- a. All penalties will be marked 5 or 10 yards (see chart below).
- b. All live ball fouls (fouls which occur while play is in progress) are captain's or coach's choice.
- c. All dead ball fouls (fouls which occur prior to snap or after the ball is blown dead) will automatically be marked off. This means if a foul occurs during a down and is a live ball foul and then a dead ball foul occurs both fouls will be enforced. They do not offset, even if against different teams.
- d. All 10-yard penalties within the 15 yards to goal line will be marked off as "half the distance to the goal".
